NEW ARTS TRUSTEE APPOINTED

Earlier this year The St Hugh's Foundation, the arts development charity for Lincolnshire, East Yorkshire and Hull, invited expressions of interest for new Trustees to help evaluate and support future applicants for Arts Awards. Following open recruitment, the Foundation has now appointed the award-winning dance choreographer and performer, **Katie Green**, to join the existing group of Trustees. Chairman of the Trustees, Clive Fox, said that Katie Green's experience and skills were a good match for the Foundation's advertised criteria.

Katie was herself a previous St Hugh's award winner, securing the 2009 Fellowship to enable her to develop her professional practice as a choreographer nationally and internationally, and to work with young people in Lincolnshire on a series of new dance projects. Her work is also supported by the Arts Council and has been widely acclaimed nationally. As well as establishing her reputation in London, Katie continues to work closely with artsNK and Lincolnshire Dance, and maintains a connection with students and lecturers at Lincoln University as a guest lecturer. She is currently working on a commission for the 2011 Festival in Skegness in collaboration with young dancers from Sweden and the East Midlands. Information about her career and recent projects can be found on her website, www.madebykatiegreen.co.uk.

Katie offered her services as a Trustee because she could appreciate at first hand the potential impact the Foundation can have on emerging and more established artists seeking a period of development, and wanted to be part of that process. She joins an experienced group of Trustees from a wide range of backgrounds. The Foundation will have other opportunities to appoint additional Trustees in the future, and anyone who is interested can find more information on its website, www.sthughsfoundation.co.uk.
